

THURSDAY 6TH SEPTEMBER 2018

17:00–17:15	Opening Address	<i>Bevra Hahn (USA) & Murray Urowitz (Canada)</i>
Keynote Lectures: Phenotyping and Pathogenic Mechanisms in Lupus		
<i>Moderators: Bevra Hahn (USA)</i>		
17:15–17:45	Which lupus is it? Phenotyping lupus in 2018	<i>Murray Urowitz (Canada)</i>
17:45–18:15	Understanding pathogenic B-cell functions in SLE: Where we are with new therapeutic targets?	<i>Thomas Dorner (Germany)</i>
18:15–18:25	Discussion	
Keynote Lectures: Classification Criteria for Lupus		
<i>Moderators: Bevra Hahn (USA) & Murray Urowitz (Canada)</i>		
18:25–18:50	Evolution of SLE classification criteria	<i>Ian Bruce (UK)</i>
18:50–19:15	New SLE classification criteria: Beyond SLICC	<i>Sindhu Johnson (Canada)</i>
19:15–19:25	Discussion	

FRIDAY 7TH SEPTEMBER 2018

Plenary I: What's New in Lupus Nephritis		
<i>Moderators: Rich Furie (USA) & Bevra Hahn (USA)</i>		
08:30–09:00	Classification of lupus nephritis: What's new?	<i>Brad Rovin (USA)</i>
09:00–09:30	Emerging therapies for lupus nephritis	<i>Liz Lightstone (UK)</i>
09:30–10:00	Lupus nephritis: Dialysis and transplant	<i>Evandro Klumb (Brazil)</i>
10:00–10:30	Discussion	
10:30–11:00	Break	
Case Study Workshops		
11:00–12:30	<i>Moderator: Zahir Amoura (France)</i> Lupus and infection <i>versus</i> /plus flare	<i>Bernardo Pons-Estel (Argentina) & Sandra Navarra (Philippines)</i>
	<i>Moderator: Ronald van Vollenhoven (Netherlands)</i> Juvenile and adolescent lupus	<i>Clovis da Silva (Brazil) & TBC</i>
	<i>Moderator: Thomas Dorner (Germany)</i> Haematologic lupus	<i>Rich Furie (USA) & Ian Bruce (UK)</i>
	<i>Moderator: Bevra Hahn (USA)</i> Lupus overlap syndromes	<i>Ricard Cervera (Spain) & Andrea Doria (Italy)</i>
	<i>Moderator: Munther Khamashta (UAE/UK)</i> Lupus: Family planning and pregnancy	<i>Eloisa Bonfa (Brazil) & Guilherme de Jesus (Brazil)</i>
	<i>Moderator: David Isenberg (UK)</i> Lupus and cancer	<i>Rosalind Ramsey-Goldman (USA) & Adriana Danowski (Brazil)</i>
12:30–13:30	Lunch break	
Plenary II: Treat-to-Target: Clinical and Patient Outcomes		
<i>Moderators: David Isenberg (UK)</i>		
13:30–14:00	Current treatment targets in lupus	<i>Rich Furie (USA)</i>
14:00–14:30	Remission and low disease activity as treatment targets in lupus	<i>Ronald van Vollenhoven (Netherlands)</i>
14:30–15:00	Quality of life as a treatment target in lupus	<i>Matthias Schneider (Germany)</i>
15:00–15:30	Discussion	

15:30–16:00 Break

Case Study Workshops

16:00–17:30

Moderator: Zahir Amoura (France)
Lupus and infection versus/plus flare

Bernardo Pons-Estel (Argentina) & Sandra Navarra (Philippines)

Moderator: Ronald van Vollenhoven (Netherlands)
Juvenile and adolescent lupus

Clovis Silva (Brazil) &

Moderator: Thomas Dorner (Germany)
Haematologic lupus

Rich Furie (USA) & Ian Bruce (UK)

Moderator: Bevra Hahn (USA)
Lupus overlap syndromes

Ricard Cervera (Spain) & Andrea Doria (Italy)

Moderator: Munther Khamashta (UAE/UK)
Lupus: Family planning and pregnancy

Eloisa Bonfa (Brazil) & Guilherme de Jesus (Brazil)

Moderator: David Isenberg (UK)
Lupus and cancer

Rosalind Ramsey-Goldman (USA) & Adriana Danowski (Brazil)

17:30 Close

SATURDAY 8TH SEPTEMBER 2018

Plenary III: Management of Lupus

Moderators: Eloisa Bonfa (Brazil) & Ricard Cervera (Spain)

09:00–09:30 Biomarkers to predict flares

Judith James (USA)

09:30–10:00 Preventing damage (atherosclerosis, bone disease, infection and malignancy)

David Isenberg (UK)

10:00–10:30 Discussion

Curbside Consults

Moderator: Thomas Dorner (Germany)

10:30–11:15 The experts tackle three short challenging cases

*David Isenberg (UK)
Zahir Amoura (France)
Munther Khamashta (UK/UAE)
Bevra Hahn (USA)*

11:15–11:45 Break

Plenary IV: CNS Disease

Moderators: Bernardo Pons-Estel (Argentina) & Andrea Doria (Italy)

11:45–12:15 Clinical phenotypes and the management of neuropsychiatric lupus

Bevra Hahn (USA)

12:15–12:45 Update on imaging in neuropsychiatric lupus

Simone Appenzeller (Brazil)

12:45–13:15 Discussion

13:15 Summary and Close

Bevra Hahn (USA) & Murray Urowitz (Canada)
