

**FRIDAY 6<sup>TH</sup> MAY 2016**

18:00 **Opening Address** *Ricard Cervera (Spain) & Ronald van Vollenhoven (The Netherlands)*

**Keynote Lectures**

18:10-18:35 *Moderators: Ricard Cervera (Spain), Zahir Amoura (France) & Ronald van Vollenhoven (The Netherlands)*  
The top SLE stories in 2015: clinical aspects *Richard A. Furie (USA)*

18:35-19:00 The top SLE stories in 2015: basic science *Thomas Dörner (Germany)*

**Discussion Forum: Issues and Answers**

*Moderators: Roger A. Levy (Brazil) & Jamal Al-Saleh (UAE)*

19:00-20:30 Does seronegative APS exist?  
The matter of the debate (15 minutes) *Ricard Cervera (Spain)*  
Yes: (20 minutes + 10 minutes rebuttal) *Munther Khamashta (UK)*  
No: (20 minutes + 10 minutes rebuttal) *Vittorio Pengo (Italy)*

Discussion (15 minutes)

20:30 **Welcome Dinner**

**SATURDAY 7<sup>TH</sup> MAY 2016**

07:00 **Breakfast with the Professor I** *Steering Committee (x12)*

**Plenary I: New Horizons in Basic Science**

*Moderators: Ronald F. van Vollenhoven (The Netherlands) & Thomas Dörner (Germany)*

08:00 Inflammatory signals induce regulatory B cells in healthy: what goes wrong in lupus patients? *Claudia Mauri (UK)*

08:30 SLE redefined based on molecular pathways *Marta Alarcón Riquelme (USA)*

09:00 Autoantibodies to neural antigens *Josep Dalmau (Spain)*

09:30 Discussion

**Curbside Consults**

*Moderator: Richard A. Furie (USA)*

10:00 The experts tackle lupus nephritis and lupus arthritis *Bevra H. Hahn (USA), Murray B. Urowitz (Canada), David A. Isenberg (UK), Ronald F. van Vollenhoven (The Netherlands) & Jamal Al-Saleh (UAE)*

10:30 **Coffee**

**Case Study Workshops (AM)**

11:00 ▲ *Moderator: Ronald F. van Vollenhoven (The Netherlands)*  
The lungs *Murray B. Urowitz (Canada) & Andrea Doria (Italy)*

● *Moderator: Bevra H. Hahn (USA)*  
The gastrointestinal tract and the liver *David A. Isenberg (UK) & Thomas Dörner (Germany)*

■ *Moderator: Richard A. Furie (USA)*  
The nervous system *Zahir Amoura (France) & Josep Dalmau (Spain)*

● *Moderator: Roger A. Levy (Brazil)*  
Pregnancy *Rebecca Fischer-Betz (Germany) & Munther Khamashta (UK)*

◆ *Moderator: Ricard Cervera (Spain)*  
Paediatric and other lupus challenges in clinical practice *Tadej Avčín (Slovenia) & Sandra V. Navarra (Philippines)*

12:30 **Lunch**

### Case Study Workshops (PM)

13:30	▲ Moderator: Ronald F. van Vollenhoven (The Netherlands) The lungs	Murray B. Urowitz (Canada) & Andrea Doria (Italy)
	● Moderator: Bevra H. Hahn (USA) The gastrointestinal tract and the liver	David A. Isenberg (UK) & Thomas Dörner (Germany)
	■ Moderator: Richard A. Furie (USA) The nervous system	Zahir Amoura (France) & Josep Dalmau (Spain)
	● Moderator: Roger A. Levy (Brazil) Pregnancy	Rebecca Fischer-Betz (Germany) & Munther Khamashta (UK)
	◆ Moderator: Ricard Cervera (Spain) Paediatric and other lupus challenges in clinical practice	Tadej Avčin (Slovenia) & Sandra V. Navarra (Philippines)
15:00	Coffee	

### Plenary II: Management of SLE—Compliance, Comorbidities and Drug Toxicities

	Moderators: David A. Isenberg (UK) & Bevra H. Hahn (USA)	
15:30	Importance of assessing medication exposure in SLE	Zahir Amoura (France)
16:00	Managing fatigue in SLE	David D'Cruz (UK)
16:30	Using lower doses of glucocorticoids in SLE: less toxicity, same efficacy	Guillermo Ruiz-Irastorza (Spain)
17:00	Prevention of accelerated atherosclerosis in SLE: Should everyone be on a statin?	Bevra H. Hahn (USA)
17:30	Discussion	
18:00	Close	

## SUNDAY 8<sup>TH</sup> MAY 2016

07:00 Breakfast with the Professor II Steering Committee (x12)

### Plenary III: Management of SLE—Therapies Derived from Other Specialties

	Moderators: Richard A. Furie (USA) & Ricard Cervera (Spain)	
08:00	Bortezomib in SLE	Reinhard Voll (Germany)
08:30	Eculizumab in SLE	Josep M. Campistol (Spain)
09:00	Romiplostim and eltrombopag for idiopathic thrombocytopenic purpura	Sacha Zeerleder (The Netherlands)
09:30	Discussion	
10:00	Coffee	

### Plenary IV: Designing clinical trials in SLE

	Moderators: Roger A. Levy (Brazil) & Andrea Doria (Italy)	
10:30	Lessons learned from SLE clinical trials	Richard A. Furie (USA)
11:00	How different is SLE? - Applying lessons from other diseases to trials in lupus	Ronald F. van Vollenhoven (The Netherlands)
11:30	Discussion	
12:00	Summary and Close	Ricard Cervera (Spain) & Zahir Amoura (France)
